

# Educational Scholarship Application

## Eligibility

To be considered for a scholarship, you must meet the following criteria:

- Be an active member of the Potwin Fiber Artisans.
- Be a member of the Potwin Fiber Artisans for a minimum of one year.
- have attended at least two meetings in the last six months.
- Beginners as well as advanced fiber artists may apply.
- Financial need is not a consideration.
- Previous awarded recipients may apply for another scholarship, no sooner than one year from the date that they have satisfied all requirements for the previous award.

## Awarded Amount

The scholarship award will depend on available Guild funds up to a maximum of 500.00.

## Qualifying Events

Qualifying courses include:

- one day workshops
- multi-day workshops
- in person classes
- online classes(e.g., Zoom)

\*If the course is canceled by the organizer, the recipient must return the money to the Potwin Fiber Artisans as soon as possible, or no later than 60 days after cancellation.

## Award Commitment

The recipient is required to give the Potwin Fiber Artisan members a report within one year after the completion of the course. The objective of a presentation or report is to share what the recipient has learned in the class. It can be in a form that the recipient is comfortable with, such as a show and tell, a program presentation at an Open Stitch, or a written description provided via email to the members. Photos are highly encouraged and it is the responsibility of the recipient to work with the PFA Board to schedule a presentation.

## Application Process

An application (see next page) is available upon request made to any PFA Board member and may be submitted to a PFA Board Member or via email. After a completed application is submitted, it is reviewed by the PFA Board during their monthly board meeting for approval. The recipient will receive an email from the PFA confirming the decision of the review.
